About MDAA South East Sydney

MDAA South East Sydney aims to promote, protect and secure the rights and interests of people with disability and their family and carers.

MDAA South East Sydney covers the Botany, Randwick, Waverley, Woollahra, Rockdale, Hurstville, Kogarah and Canterbury local government areas.

Our vision is a society where everyone, regardless of background or disability feels welcome, included and supported.

What is Individual Advocacy?

Individual advocacy means supporting you to speak up for your rights.

We support people with disability, their families and carers.

This includes problems with housing, immigration, health services, social security, school, work, disability services or the police.

MDAA's Individual Advocates can support you to understand your rights, so you can make your own decisions and get what you need.

What happens when I contact MDAA Inc.?

When you contact MDAA South East Sydney an Individual Advocate will talk to you about your problem and the support you need.

This helps the Individual Advocate to understand what your problem is and whether advocacy will help solve the problem. If you need an interpreter the Individual Advocate will organise a telephone interpreter.

What can the Individual Advocate do to support me?

After finding out about your problem the Individual Advocate may

- ▶ give you information so you can get the services you need
- ▶ support you to make a complaint
- ▶ support you to attend a meeting about your problem
- ▶ help you to get advice
- ▶ refer you to another service that can assist you with your problem.
