Future Leaders Project

Do you want to be involved in an organisation, help it grow and improve your leadership skills too?

Come and join the Future Leaders Project!

About MDAA

MDAA aims to promote, protect and secure the rights and interests of people from non-English speaking backgrounds with disability and their families and carers in NSW.

Our vision is a society where everyone, regardless of background or disability feels welcome, included and supported.

MDAA is run by a Governance Committee composed mostly of people with disability, their families, carers and people who support our vision.

What is Future Leaders Project?

Future Leaders is a project for people with disability, their families and carers. It is a project that will aim to develop leadership skills and knowledge of participants to help them gain confidence and capacity to help direct the affairs of disability organisations. This will be done through workshops by specialist trainers and peer to peer led group activities.

What are the benefits of participating in this project?

- ▶ Actively participate in organisations you want to be involved in and be part of its decision making
- ▶ Be a part of creating positive systemic change for people with disability in Australia
- ▶ Create social connections with people from different cultural backgrounds
- ▶ Gain skills to become more independent
- ▶ Gain leadership skills
- ▶ Learn self advocacy skills
- ▶ Provide feedback to government representatives and decision makers on issues present in your community.

How to participate?

Call MDAA office for workshop and training schedule or visit MDAA website for further information.
