About MDAA Bega

MDAA Bega aims to promote, protect and secure the rights and interests of people with disability and their family and carers.

MDAA Bega covers the areas of the Bega Valley Shire, Snowy Monaro Regional Shire, and Eurobodalla Shire.

Our vision is a society where everyone, regardless of background or disability feels welcome, included and supported.

What is Individual Advocacy?

Individual advocacy means supporting you to speak up for your rights.

We support people with disability, their families and carers.

This includes problems with housing, immigration, health services, social security, school, work, disability services or the police.

MDAA's Capacity Building Support Officers(CBSO)s can support you to understand your rights, so you can make your own decisions and get what you need.

What happens when I contact MDAA Inc.?

When you contact MDAA Bega a CBSO will talk to you about your problem and the support you need.

This helps the CBSO to understand what your problem is and whether advocacy will help solve the problem. If you need an interpreter the CBSO will organise a telephone interpreter.

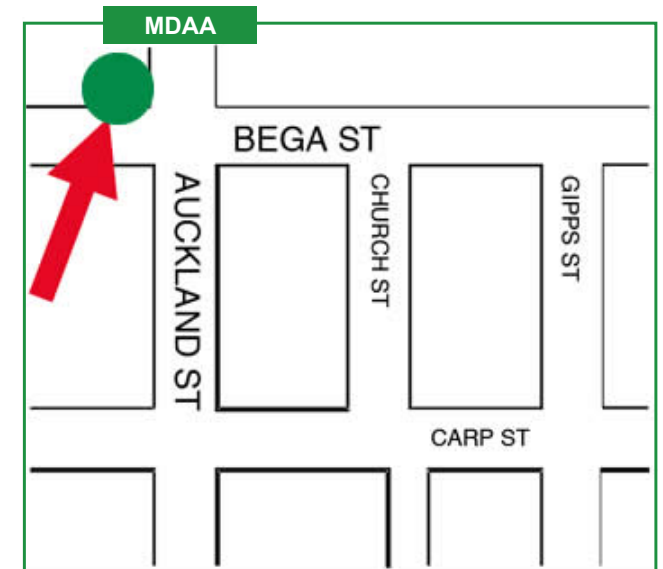

What can the CBSO do to support me?

After finding out about your problem the CBSO may

- ▶ give you information so you can get the services you need
- ▶ support you to make a complaint
- ▶ support you to attend a meeting about your problem
- ▶ help you to get advice
- ▶ refer you to another service that can assist you with your problem.
